Howdy Denver Aggies!

What an exciting year the Denver A&M Club had in 2014!! I would like to thank the 2014 Officer Team for all of their hard work and dedication this past year. Your 2015 team looks forward to building upon their success. We were able to reach out, extend our network of Aggies in the Denver Metro Area, and offer events for Aggies to connect with old friends as well as make new ones. The Denver A&M Club was strong with over 160 members allowing the club to award \$6,000 in scholarships to local students heading to College Station in the fall and strengthen our presence in the Denver area. From Muster, to summer picnics, watch parties and other events, last year was a big success due to the efforts of the officers. Thanks again to all the officers and chairs for your time, willingness to serve, and great ideas that made 2014 such a great year for the Denver A&M Club.

I would like to extend a Texas size thanks to our Board of Directors for their guidance and support to the club. Your willingness to help our officer team had such a positive impact on our sustainability as club, and I appreciate all that you do to ensure our strong, growing presence in Denver.

Howdy to our Aggies that recently call Denver their home, we look forward to meeting you soon. For our returning members, we cannot wait to see you again. If you meet fellow Aggies that are new to the area please welcome them into our club, and direct them to our web site and other social networking sites.

In 2015, we are excited about strengthening our presence in the Denver area and continuing as a reliable resource for both existing and new Aggies to the area. We are dedicated to providing meaningful opportunities for Aggies to connect with new Ags, as well as develop effective relationships with the community through volunteering and providing scholarships to future members of the class of 2019! Follow us on Facebook, and Meet Up, these social networking tools allow us to promote club activities, allow our members to organize their own events, and invite fellow Aggies.

I would like to extend an invitation to all Aggies in the area to contact me with feedback on how the Denver A&M Club can better serve our family of former students living in the Mile High City. To be a successful club, we need grow in the direction of the needs those that we interact with. So please do not hesitate to contact myself, or any of the 2015 officers, if you have a great idea or want to help plan any of our upcoming events.

2014 Scholarship Recipients

Betty Jane Cross '18

I am writing to thank you ever so much for the generous scholarship I received from the Denver A&M club! It has been a great semester and I am becoming more and more grateful every day that I am an Aggie; something that is possible in part because of your gift. I will be majoring in Math and Music Composition, both of which I am excited to be studying under and with fellow Aggies. Also, it would be remiss of me not mention how much I love engaging in the traditions of Aggieland, like yells, Bonfire Memorial, and watching and making friends within the Corps of Cadets. (Guess what! Reveille was in my history class!) Again, thank you so much for my scholarship. It will always be appreciated by this mountain-girl Aggie. Thanks and Gig 'em!

Howdy! I'm Kristen Luthy and I'm a freshman International Studies (Politics and Diplomacy) major from Arvada, Colorado, but most importantly I am the LOUDEST and PROUDEST member of the FIGHTIN' TEXAS AGGIE CLASS OF 2018! I am also a member of the Corps of Cadets, where I am currently a fish in Squadron 12! I also joined Aggie Shields, which is an organization that helps the student veterans on campus by raising money for their different expenses, such as textbooks, and putting on different social events. Since being here at A&M, my favorite things have been taking part in all of the traditions, as well as all of the life-time memories and friends I have made. One of the coolest things I have done thus far is fly in a T-38 with A&M's Air Force ROTC. Thank y'all for your wonderful scholarship, and for welcoming me into the Aggie Family! Thanks and Gig 'em!

Mackenzie Hammond '18

Howdy! Thank you for the contributions made toward my academic financial support! Since August, I've made substantial progress both academically and mentally. I owe much of my adjustment to the freshman leadership organization- MSC ALOT (Aggie Leaders of Tomorrow). It has been an honest pleasure to embody the Aggie spirit and meet the incredible individuals that make up this institution. I couldn't be more proud of where I am from, and so, I found it of utmost importance to spread the values of Texas A&M with my family- the people who first inspired my core values. I attribute a lot of my success to them and the Denver A&M Club that believe in and support the educational opportunities at Texas A&M. I understand now why these selfless contributions are made to promote individual success and leadership in the greatest academic environment that there is! Thanks & Gig 'em!

The Year In Review

Muster 2014 Recap

On April 21, 2014, 120 Denver Aggies gathered to Muster at Baldoria on the Water to hear Red Pot Dan Finnell speak about the Aggie Spirit, Bonfire, and the reach of the Aggie Family. The silent auction raised approximately \$3,200 towards our scholarship fund benefiting future Aggies from the Denver area.

120 Denver Aggies gathered for the annual Muster on April 21, 2014

Annual Aggie Picnic

The 2014 Denver A&M Club Annual Picnic was held at Washington Park and brought together over 60 Aggies on June 7, 2014. The afternoon was filled with comradery, BBQ and park games and concluded with a Fightin' Texas Aggie Yell Practice. We look forward to making this event a lasting tradition for the club.

Over 60 Denver Aggies gathered for the summer picnic at Washington park on June 7, 2014.

Watch Parties

The Fainting Goat was packed for the start of the college football season as Aggies from around Colorado came together to see a dominating win at South Carolina. The Ags also had exciting victories over Arkansas and Auburn, and ended the season with a win against West Virginia in the Liberty Bowl! We look forward to seeing all of you on Saturday, September 5, when the Aggies take on Arizona State.

Ever faithful Denver Aggies regularly gathered during 2014 for the Watch Parties.

SEC Picnic

The 2014 SEC Picnic, held on August 23 at Eisenhower Park, was a success for the SEC Club of Denver with over 800 members from all of the SEC clubs in Denver. The Denver Aggies had a strong presence with 80 Aggies in attendance. It was a great chance to socialize with others in the SEC before football rivalries began.

2014 Holiday Party

On December 14, 2014, the A&M Holiday was held at the Ale House at Amato's in the Highlands neighborhood in Denver. Forty Aggies came out to celebrate and ring in the holiday season.

Denver Aggie Moms Club

The Denver Aggie Moms Club is dedicated to promoting the comfort and welfare of our students at Texas A&M. We are an awesome source of information, fellowship and assistance to mothers of current and former students of Texas A&M who reside in Colorado. We discuss everything from the traditions of the school to the best transportation options from College Station to Colorado. We have 29 active members. Our meetings are typically held the second Tuesday of each month September through May.

Some of the meeting highlights for the Denver Aggie Moms Club are:

- At each meeting we introduce new members, share ideas and answer any questions we have regarding our students and their welfare. It is always a very informative time for the Moms to learn what is happening in Aggieland, discuss traditions and any questions we have about campus life. To end the meetings we are led in a small craft by our Meetings Vice-President.
- Twice a year, usually around finals time, we prepare CARE packages for our students. Our members bring items to be shared for the packages and our students Love receiving these wonderful goodies and eagerly anticipate their arrival.
- We sign birthday cards for any students with upcoming birthdays and share "Aggie Brags" about our students as well. It is always great to see how wonderful our Colorado kids are doing!
- Throughout the year many of our Moms use the King Soopers gift card where we earn a royalty check from the store. We use this money as income for our Club and also for donations to TAMU student organizations. In May 2014 we awarded six \$250 donations (\$1,500 total) to organizations selected by our members.
- We meet with our families on occasion to cheer on our Aggies for various football and bowl games. Always a great time for good food, fun, football and fellowship.
- One of our most popular meetings is our December Christmas Ornament exchange. It has become one of our Denver Aggie Moms Club's favorite traditions.
- At our final meeting of the year we acknowledge our graduating seniors with a small gift and recognition of their hard work at Texas A&M University. We are so proud of our Aggies!!
